I don't blame ~~Microsoft~~ Bill Gates it was his employee's that set-up microsoft I never wanted to sue and I never set-up microsoft. In Weld County Jail in Oct 2016 they came over the intercom in the Weld County Jail and said IF I feel that way about not wanting to sue microsoft that they would give me a 2003 thru 2008 Honda Odyssey van and a couple of bottles of James liquor ^{80%} they don't want me drinking a driving which I don't.
